

Article VIII, Section 15, is hereby replaced in its entirety with the following language:

No discs or satellite dishes shall be erected or maintained on any Lot, except for satellite dishes that comply with residential FCC Regulations, with a reasonable effort made to screen them from view, and do not exist within 50 ft. setback of Public Roads shall be permitted. No freestanding radio or television transmission or reception dishes, towers or antennas, shall be erected or maintained closer than (50) feet to the boundary line of Lake Keowee . Customary roof-mounted antennas which may extend not more than ten (10) feet above the roof line ridge of the house are permitted.
